# WILLO SAYS WELCOME

Diana Herman (Left), Website Coordinator, and Gene Nance, Willo's longest serving Board Member

ceilings, dairy boxes, mailboxes that deliver mail to the interior of the home, telephone niches in the hallways, front porch living....the list goes on.

The Willo Historic District has a Board of Directors that see to it that the environment and quality of life here are of the highest quality for its residents. The work of the Board is one of the main reasons aside from all of our beautiful homes that so many people choose to live here.

I thought it might be interesting for you to hear about one of our longest serving board members, Gene Nance. Gene has lived in Willo for 65 years and if you ever have a chance to talk to him, he loves to talk about all of the changes he has seen through all of these years. Gene has served on the board for at least two decades. He and his neighbor Paul Scott have been doing the Holiday Luminarias on Palm Lane for over two decades as well. I love listening to Gene's views on past events in the neighborhood and the decisions that we have to make as a board. He is always good for a glass of wine and I hope that you are fortunate enough to run into him sometime and take the time to visit.

Research is still continuing on our new sidewalks and so gathering of signatures

for them has been delayed. We want them to be just perfect for many years of enjoyment and convenience to all of our neighbors and guests in Willo.

We are also looking into developing a list serve to cover the neighborhood in the event of important events. Soon we will be offering a way for you to join to receive all up-to-the-minute matters of importance.

This is a happy time for the neighborhood as we prepare for the Willo Affair, Twilight Tour and Home Tour for February 13 and 14, 2016. Please do stop and visit with me. See you there!

**SOME OF YOU ARE SEEING** our monthly publication for the first time as it is being circulated to our Home Tour visitors. I hope you enjoy your day here with all of our friendly neighbors and beautiful homes. There will be so many details for you to notice that just don't appear in new home construction. Covered

### Willo Historic Neighborhood Association Board

The Willo Historic Neighborhood Association Board was established in the early 1980s. The members are volunteers and are elected every two years in March. The association does not collect dues and does not act like a Home Owners' Association (HOA). Rather, its function is to serve the collective well being of the neighborhood. Meetings are typically held the second Thursday of each month at 6:30 pm at the Fairfield Inn and Suites Hotel. All residents of Willo are invited to attend. Agendas are available online prior to the meeting at [www.willohistoricdistrict.com](http://www.willohistoricdistrict.com).

### Inside Willo newsletter

This free newsletter is published monthly (excluding July & August) by a committee headed by Willo volunteers. Willo neighbors are encouraged to submit neighborhood news, tidbits, photos and articles (between 250-350 words) by the 10<sup>th</sup> of each month. We reserve the right to: edit as needed, attribute to the submitting neighbor (with the street they live on where appropriate), determine which issue the information may be printed and use content on our website and in neighborhood promotional materials. The Willo Neighborhood Association is not responsible for nor endorses the editorial content in *Inside Willo*. A copy of *Inside Willo* is also posted to the Willo website each month.

# SNEAK PEEK 36 W. LEWIS

DIANA HERMAN (MONTE VISTA)

## FROM THE GROUND UP...LITERALLY!

You will never believe what this home looked like when Charlie and Janice Martin purchased it at an auction on October 2, 2012. Already in disrepair and after being unoccupied for five months they were in for quite the adventure.

Prior to the purchase, Charlie and Janice lived in Ahwatukee for 17 years raising their son and daughter in the typical Phoenix suburban neighborhood. While living there they always dreamed about moving into a historic neighborhood and frequently attended open houses in Willo on their search for a historic home. Like all Willo residents, they wanted that easy access to light rail and the ability to walk or bike to downtown restaurants and cultural and sports events. AND, they craved that neighborly feel that is so unique to Willo.

36 West Lewis fulfilled their dream. The original home built in 1925, was 700 sq. ft. with one bedroom and one bathroom and a screened in porch. The Martins felt that the “bones” of the home were perfect for them and they had the ‘vision’ to see past the disaster and make it their own sanctuary. They have lovingly transformed it into a 1700 sq. ft. home with three bedrooms/two bathrooms plus an 800 sq. ft. casita, laundry area and garage in back. Connecting the home and back building is a beautifully landscaped yard, outdoor dining area, and a mini garden

with interesting brick work duplicated from the front walkway.

Charlie and Janice were finally able to move in on January 31, 2014. During the two year renovation, they spent endless hours with the City of Phoenix, the Historical Preservation office, an architect and many contractors. They lived in a Willo rental home in order to oversee the massive project. It was a long process, with Charlie and Janice doing a lot of the cleanup and demolition with help from the crew from Aristone (now Precision Precast Group). A master suite with a spacious bathroom, a guest bedroom, and the back building were added and built from the ground up. Charlie, who loves wood-working, did all the trim and molding throughout the house. He also installed all the cabinetry in the kitchen and has promised Janice a custom made wall unit in the great room.

The original 700 sq. ft. at the front of the home got a complete makeover. The original bedroom was updated and the original bathroom now has marble hex tiles and soft colors. Built-in cabinets were added in the hallway for extra storage. The screened in porch was removed in back to open and enlarge the kitchen with its white subway tiles and granite counter tops. The dining room was added and the great room as well, which completes this open concept transformation. French doors and windows along the back

of the house open up to the outdoor living area and guest house.

Son Charlie works close by on 3rd Avenue at BK Designs and daughter Stephanie now lives in Campus Vista Historic District. The whole family has been part of this ‘from the ground up’ transformation and get together often to enjoy the sounds of...Charlie and Charlie Jr. on acoustic and electric guitar. Even Lola and Pugsley (the pooches) enjoy living the life in Willo Historic District.

Purchase your Tour Day tickets at [www.willohistoricdistrict.com](http://www.willohistoricdistrict.com) and Do Not Miss this home. You will not believe the transformation.

also free.

The Willo Street Fair has over 100 vendors. We have food vendors and a variety of artists and artisans selling their mostly hand-made items. Other vendors will be selling antiques, health care and beauty products, vintage clothing and a lot more. And some vendors want to educate you on the services they offer. See below for the vendor list.

Plan to get coffee and donuts or bagels first thing in the morning, and a variety of foods for your lunch. There will also be lots of sweets that you can eat all day.

So, make plans to attend the Street Fair, do some shopping, buy your lunch, listen to the band, and hang out with your neighbors and our guests who have come to see the homes on the tour. **W**

# KITCHEN BACKSPLASH

BY TOM SERTICH / KIRK DEVELOPMENT COMPANY

**GIVE YOUR KITCHEN A** special makeover with a new backsplash. A new backsplash will not only update your kitchen, it will serve as protection from water, grease and other splatters. Your backsplash can be small or large depending on how dramatic you want your splash. You may want a full height backsplash from the countertop to the bottom

of the upper cabinets. If you already have a 4"-6" tall splash, you can start at the top of your existing splash.

There are several material types for splashes which will be determined by your taste and current kitchen design. The most widely used materials are stone, ceramic tile, glass tile and stainless steel. For a very unique touch you can insert de-

signer tiles into the full height design or run an accent border of stone or glass tile through the splash.

No matter which splash you decide on, it will create a new unique look to your home. A new backsplash is a quick easy way to add a finishing touch to your kitchen. Call Kirk Development (602 944-3658) to help you turn your dreams into a reality.

## **THE 28TH ANNUAL HOME TOUR**

is upon us and will make Valentine's Day 2016 a memorable one!

This annual tour is our neighborhood's only fundraiser and helps us maintain two parks, put out holiday luminaries, hold fun Willo KidsKlub events and produce our monthly newsletter, just to name a few Willo projects made possible by the home tour. It is also a special time that friendships are made and neighbors come together.

This special section of "Inside Willo" features the beautiful homes that will be on tour this year. Heartfelt thanks to each homeowner on tour for participating in the city's biggest "open house". Truly, without our homeowners on tour this year, we would not have a home tour! Thanks also go to each of the committee members that have been supporting us for the past six months of planning, taking care of every detail that will be enjoyed by our tour guests.

We hope you will enjoy this look at our homes on tour line up as you get ready for Home Tour 2016.
