Dear Ms. Dodds:

On behalf of the Willo Neighborhood Association, I am writing to request a formal guideline with respect to street facing murals in the Willo Historic District. The guideline should address concerns about the compatibility of murals with historic preservation mandates and goals. We respectfully request a reply within 90 days.

Many residents have serious concerns with the street facing murals being incompatible with the integrity, appearance, and long term historic impact on the Willo Historic District.

We look forward to your reply and thank you in advance for your efforts.

Sincerely,
