

Willo Neighborhood Association  
Special Meeting Minutes  
September 13, 2022

The Special Executive Meeting of the Willo Neighborhood Association Board was called to order by Willo President Dr. Robert Cannon at 6:30 p.m.

Board Members Present: Dr. Robert Cannon (President), Brad Brauer (Vice President), Linda Doescher (Treasurer), Opal Wagner (Secretary), Ann Bommersbach, Jeremy Schachter, Kush Govani, Sandra Lefcovich, Erika Gagnon, and Aaron Montaña Searles

Absent: Jackson Modrak, Patrice Wappel, Charlene Gum

Dr. Robert Cannon stated the Executive Committee meeting is for the express purpose of discussing the communication Willo received from Camelview Madison PTO dated June 13, 2022. He reminded the Board members this matter is confidential because there is an ongoing investigation by Phoenix Police Department, we do not know all the details, and everyone is innocent until proven otherwise. He stated we are elected to serve Willo and no other entity. Our mission is to protect the integrity of the neighborhood. Bob thanked Linda Doescher for her time spent in investigating the matter and seeking advice from experts.

Linda Doescher reminded the Board that in June Board members were sent the letter received from Camelview Madison PTO. After receiving the letter, Linda talked with the people involved and the four Willo Officers met to decide what action, if any, to take. Subsequently, she sought (informal) advice from two attorneys from the neighborhood as well as an accountant.

Discussion by the Board members ensued. No official actions nor votes were taken since the Special Meeting was for informational purposes only.

Dr. Cannon reminded everyone not to discuss the matter with anyone since the matter is under investigation by Phoenix P.D., the investigation could take until spring of next year and we are not privy to any details. We have done everything by the book and neighbors with questions will be referred to the investigating detective at Phoenix P.D.

The meeting was adjourned by President Cannon at 7:10 pm
